

Securus Technologies, Inc. Enters into a Stock Purchase Agreement to Purchase Syscon Holdings Ltd., a Provider of Offender Management Software Systems to the Corrections Industry

DALLAS--(BUSINESS WIRE)--Securus Technologies is pleased to announce that it has entered into a stock purchase agreement to purchase Syscon Holdings, a leading provider of offender management software systems to the corrections and law enforcement industry. Syscon is headquartered in Richmond, British Columbia.

Syscon's customers include more than 250 correctional facilities and probation offices in the United States, Canada, the United Kingdom and Australia. Syscon is the exclusive offender management software provider to Electronic Data Systems for the United Kingdom's National Offender Management System with Her Majesty's Prison Service.

According to Dick Falcone, Securus Technologies' CEO, "The addition of Syscon is consistent with, and supports Securus' vision of, providing its clients with the most valued array of applications. Securus has been broadening its applications well beyond telecommunications and the acquisition of Syscon substantially accelerates this initiative. We expect the combination of Securus and Syscon to fuel growth for both entities globally."

About Securus
